

Radiography Program Admission Worksheet

Richland Community College | One College Park | Decatur, Illinois 62521

Student _____ Richland ID _____ Advisor _____

The Radiography Program has a selective admission process. Students must meet minimum criteria in order to apply and admission is competitive. Admission to Richland does not guarantee admission to the program. Out-of-district students who are not part of a cooperative agreement will be considered for the program when space is available.

Directions: Students use this worksheet to determine if prerequisites to apply to the program are met. The Radiography Program follows the Health Professions' selective admissions process. Students use the online Pre-Advisement Plan on myRichland to submit an application during the designated application period. Students must check their email to verify completion of the application.

ACT or SAT Scores OR Radiography Coursework Requirement

- Required minimum sub scores and composite: Reading (15) Math (15) English (15) Science Reasoning (20) Composite (21) or 980 SAT
- Any courses applicable to the Radiography Program requirement must be completed with a "C" or better and the Program GPA* is at least 2.5
- General education coursework completed or in progress at the time of application
- All coursework is completed with a "C" or better
- The Program GPA* is at least a 2.5

*The Program GPA is calculated using the grades earned in Radiography Program courses (see courses below). Transfer and Richland credits are used in calculating the Program GPA. All students seeking admission must earn a grade of "C" or better in all prerequisite and program coursework and have a Program GPA of at least 2.5. A minimum 2.5 Program GPA is required for admission to, progression in, and graduation from Richland's Radiography Program.

Program GPA Calculator: Multiply the grade earned in the course (A=4, B=3, C=2, D=1, F=0) by the course credit hours to produce the quality points. Add the total quality points and divide by the number of total credit hours completed.
